

SELF EMPLOYED AGREEMENT

CONTRACTOR INFO:

Name: Shane Wilson

Phone: (706) 631-9067

Email: shanewilson316@gmail.com

SCOPE OF WORK:

The Contractor agrees to perform the following Service(s) for the dates referenced above:

- **Role:** Project Manager / Site Lead
- **Description of Services:** Contractor will serve as the primary Project Manager/Site Lead for the event. The nature of this role is dynamic; therefore, specific daily tasks will remain flexible to best support the project's evolving needs on-site. The core scope includes overall site management, technical oversight, and team coordination.
- **Execution of Duties:** The Services will be performed collaboratively to support the overall goals of the Event. Contractor retains professional discretion over the specific methods and time management utilized to achieve these goals. Any significant deviation from standard site management responsibilities, or additions to the scope of work, will require mutual agreement.

SCHEDULE OF SERVICES

The Contractor's services will be provided according to the following schedule:

- **Pre-Production:** May 14–15, May 18–22, and May 25, 2026
- **Load-In:** May 26 – June 9, 2026
- **Show Days:** June 10 – July 7, July 9–11, July 14–15, July 18–19, and July 20–24, 2026

HOURS & SCHEDULING:

STANDARD DAY: The agreed-upon day rate is based on a standard ten (10) hour working day. The ten (10) hour maximum daily rate is *exclusive* of a one (1) hour meal break.

FLEXIBLE HOURS OF SERVICE: The established daily rate covers up to ten (10) hours of service per day. Recognizing the dynamic nature of the Project Manager/Site Lead role, the Contractor retains full professional autonomy over their daily schedule. These ten (10) hours are not required to be consecutive. The Contractor reserves the right to manage their on-site presence—including departing and returning to the site at their discretion—provided that daily project requirements and overall site management duties are successfully fulfilled.

PAYMENT SCHEDULE/TERMS:

The Company agrees to pay the Contractor as follows:

- **Total Days:** 63
- **Total Estimated Compensation: \$34,650** (Exclusive of any out-of-town project rate adjustments)
- **Billing Frequency:** Contractor will submit invoices on a weekly basis for the days worked during the preceding week.
- **Payment Terms:** Net 15. All weekly invoices are to be paid within fifteen (15) days of the invoice receipt date.

ON-SITE MEALS & AMENITIES: As this Agreement does not include a daily per diem, the Company agrees to provide the Contractor with one (1) substantial, hot, prepared crew meal per ten (10) hour shift. The Company will also ensure continuous on-site access to craft services, including unlimited clean drinking water. In the event that an adequate Company-provided meal is not available during a scheduled shift, the Company agrees to a daily meal walkaway provision, paying the Contractor a flat meal allowance of **\$80.00 per day** (reflecting the current standard IATSE/GSA per diem rate for the Dallas market).

PROJECT REASSIGNMENT & TRAVEL RATE: The parties acknowledge that the Company may request the Contractor to reallocate time to off-site, out-of-town projects during the term of this Agreement. Any days dedicated to these out-of-town projects will be billed at the Contractor's established travel rate of **\$700 per day**, overriding the standard local rate for those specific dates. Any days the Contractor is reassigned to off-site projects by the Company will be considered approved absences from the Dos Equis Pavilion site and shall not constitute a breach of this Agreement.

MINIMUM REST PERIOD & TURNAROUND: To ensure adequate rest, safety, and peak on-site performance, the Contractor requires a minimum turnaround time of twelve (12) consecutive hours off the clock between the completion of one shift and the established call time for the next. If the Company requires the Contractor to report for a shift before this 12-hour rest period has been fully satisfied (a "forced call"), any hours worked during the unelapsed rest period will be billed at a premium rate of **\$82.50 per hour**. This premium rate will remain in effect until a full 12-hour continuous rest period is provided.

LATE PAYMENT DEFAULT: Failure to remit payment within the Net 15 terms constitutes a material breach of this Agreement. The Contractor reserves the right to suspend all on-site services, without penalty or breach of contract, until all past-due invoices are paid in full.

TERMINATION & CANCELLATION Either party may terminate this Agreement with fourteen (14) days written notice. In the event the Company terminates this Agreement prior to the agreed-upon end date (July 24, 2026) without cause, the Contractor shall be paid in full for all days worked, plus a cancellation fee equal to five (5) days at the standard local rate.

IN WITNESS WHEREOF, the parties hereto have executed this Self Employed Agreement as of the date referenced below.
